
RHR Music

Posted by twister - 2010/02/20 09:18

We're basically playing Rock & Roll and all its related genres: rockabilly, doo-wop, hillbilly, blues, boogie, jive, twist, mersey, teen popcorn and contemporary rockabilly acts.

We're relaying on the ex-RockHall huge collection, so expect for the best music in the county!

Tune in RHR!
